RE: South Carolina Electric & Gas Company
**Request for Approval of Forbearance Agreement or in the
alternative, Acknowledge Consent of the Forbearance Agreement**
Docket No. 2019- -HE

Dear Ms. Boyd:

I am writing on behalf of South Carolina Electric & Gas Company ("SCE&G") to respectfully request that the Public Service Commission of South Carolina ("Commission") approve the Forbearance Agreement entered into between SCE&G and the South Carolina Public Service Authority ("Santee Cooper"), or in the alternative acknowledge its consent to the Forbearance Agreement. A copy of the Forbearance Agreement is enclosed as "Exhibit A."

On December 13, 2018, SCE&G and Santee Cooper executed a Forbearance Agreement resulting from Santee Cooper's decision to suspend construction of V.C. Summer Units 2 and 3 (the "Project"), and SCE&G's decision to cease construction of the Project. By ceasing construction and thereby abandoning the Project SCE&G has irrevocably waived its rights to certain assets related to the Project; these assets are referred to in the agreement as the "Forbearance Assets." The Forbearance Assets are described in paragraph 2 of the agreement and include, among other things, the Units, ancillary facilities, and intellectual property.

As part of the Forbearance Agreement, SCE&G agreed to seek approval of the agreement from the Commission. Under S.C. Code Ann. § 58-27-1300 (2012), the Commission has jurisdiction to approve the disposition of utility property which has a fair market value in excess of \$1,000,000. Under the Forbearance Agreement, SCE&G is not transferring any property to Santee Cooper because SCE&G has

abandoned the Project.¹ Instead, and for the benefit of Santee Cooper, SCE&G is making clear that it is waiving any and all rights to the Forbearance Assets. To the extent that the disposition of these rights is subject to 58-27-1300, SCE&G respectfully requests that the Commission approve the agreement and if the Commission finds that 58-27-1300 is inapplicable, then SCE&G respectfully requests that the Commission acknowledge its consent to the Forbearance Agreement.

The request for relief set forth herein will not involve a change to any of SCE&G's retail rates or prices, or require any change in any Commission rule, regulation or policy. Accordingly, neither notice to the public at-large, nor a hearing is required regarding this request.

Further, Santee Cooper's counsel has authorized me to inform the Commission that Santee Cooper supports SCE&G's request herein.

By copy of this letter we are serving a copy of SCE&G's request upon counsel for the South Carolina Office of Regulatory Staff and enclose a certificate of service to that effect.

Thank you for your consideration of this matter. **If you have any questions or need additional information, please do not hesitate to contact us.**

Very truly yours,

K. Chad Burgess

¹ By Order No. 2018-804, dated December 21, 2018, issued in Docket No. 2017-370-E, the Commission ruled that SCE&G's decision to abandon the Project was prudent and in the best interests of its customers.

NOW, THEREFORE, in consideration of the recitals and stipulations set forth above and the mutual promises and covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, SCE&G and the Authority hereby agree as follows:

AGREEMENT

1. General Acknowledgment. SCE&G and the Authority acknowledge the accuracy of the representations set forth in the Recitals and Stipulations of this Agreement. The above Recitals and Stipulations are incorporated herein and are part of this Agreement.

2. Defined Terms.

"Forbearance Assets" means the Units, Ancillary Facilities, Intellectual Property, Equipment and materials on Site and off-Site, including, without limitation, assets, materials and equipment that are affixed to the real property at the Site but are capable of being removed from such real property, including all work in progress at the Abandonment Date, whether or not such fixtures would be considered real property under South Carolina law, exclusive of the Excluded Assets.

"Excluded Assets" means (1) the Real Property Interests; except for the real property fixtures described in the definition of Forbearance Assets, (2) certain Project assets specifically identified as excluded from the abandonment prior to December 31, 2017 identified on Exhibit A attached hereto; (3) certain Project assets that were transferred to VC Summer Unit 1 identified on Exhibit B attached hereto; (4) substation and switchyard assets; (5) the old NND Building located at 1161 State Highway 213, Jenkinsville, South Carolina; and (6) Nuclear Fuel. For the avoidance of doubt, notwithstanding any defined term in the DCA or the definition of Forbearance Assets in this Agreement, no real property or personal property (tangible and intangible) at or near the Site or part of the Existing Unit or the Existing Unit Real Property, whether fixed or not fixed to the Site, that is used by SCE&G for the operation or use of the Existing Unit or owned by the Parties pursuant to the Joint Ownership Agreement dated October 18, 1973, are part of the Forbearance Assets.

"Intellectual Property" has the meaning set forth in the DCA, plus all documentation, data, records, drawings, technical specifications, test results, or other information associated with the Forbearance Assets and required to enable the Authority's full use of the Forbearance Assets for their intended purpose in accordance with applicable legal, regulatory, and industry requirements.

"Real Property Interests" includes easements, licenses, permits and other rights and interests in the real property underlying the Site, the Nuclear Explosion Zone, and the Shared Use Facilities.

3. Forbearance. Except for the Excluded Assets, and as otherwise provided in Section 6, hereof, SCE&G hereby reaffirms its irrevocable waiver of any and all rights,

economic or otherwise, in the Forbearance Assets and in its ownership, operation, or sale now or at any time in the future and shall forever forebear from any claim against the Authority, its transferees, assignees, partners, joint or co-owners, or any other entity with whom the Authority shall now or in the future associate with respect to any interest in the Forbearance Assets, economic or otherwise, arising from the ownership, operation, sale or use of the Forbearance Assets in any manner whatsoever.

4. Release from Security Interest. SCE&G further agrees to take reasonable commercial efforts to have the Forbearance Assets released from any security interest or mortgage, including those held by The Bank of New York Mellon Trust Company, N.A., upon consent of the Public Service Commission of South Carolina (the "PSC") to this Agreement or within thirty (30) days thereafter. SCE&G agrees to provide a certificate of abandonment, or such other similar document as the Authority may reasonably request, to subsequent takers of the Forbearance Assets affirming that SCE&G has no remaining or continuing right, title or interest in the Forbearance Assets.

5. Real Property; Shared Facilities. Should the Authority elect to restart the Project on the Site, SCE&G, to the extent reasonably necessary and requested by the Authority, agrees to grant or transfer to the Authority all easements, licenses, permits and other rights and interests in the real property underlying the Site, the Nuclear Exclusion Area, and the Shared Facilities to enable it to construct, operate and maintain such facilities, subject to consent of the Public Service Commission of South Carolina (the "PSC"). If prior PSC consent pursuant to this Section 5 is required, SCE&G agrees to seek PSC consent within thirty (30) days of the Parties entering into an agreement with respect to the real property, such agreement to be contingent on consent from the PSC.

6. Conditions to SCE&G Forbearance. SCE&G's willingness and agreement to forbear as provided in this Agreement is absolute and unconditional except as follows:

a. SCE&G agrees to seek PSC approval of this Agreement within thirty (30) days of execution of this Agreement, and the PSC shall have consented to such transaction.

b. With respect to Governmental Approvals, SCE&G and the Authority agree to cooperate and work with each other on a case-by-case basis to reach an agreement with respect to the issuance, assignment, transfer, or disposition of all such Governmental Approvals.

7. Acknowledgment of Sales Tax Liability. The Authority acknowledges and agrees that to the extent the Authority sells, exchanges, assigns, transfers or otherwise disposes of any such Forbearance Asset, and such transaction may be subject to South Carolina sales and use tax, the Authority shall be responsible for such sales and use tax. The Parties acknowledge and agree that nothing in this Section 7 shall apply to, or affect, the treatment of any allocation and/or responsibility for payment of sales and use tax by any Party relating to the Forbearance Assets or any other asset purchased by the Parties for use in the Project on or prior to the Abandonment Date.

8. Notice. Any notices or other communications under this Agreement to the Parties shall be sufficient if made in writing and addressed to the Parties respectively as follows:

This Agreement does not affect the "Tolling Agreement" entered into between the Parties, effective April 20, 2018.

14. Severability. If any part, term or provision of this Agreement is held by a court of competent jurisdiction to be illegal, unenforceable or in conflict with any law of the State of South Carolina, federal law or any other applicable law, the validity and enforceability of the remaining portions or provisions of this Agreement shall not be affected thereby.

15. Dispute Resolution. Any dispute, controversy, claim arising out of or relating to this Agreement between the Parties shall be determined in the identical manner and method as provided in Article 19 of the DCA for "Dispute Resolution." This provision is enforceable pursuant to the South Carolina Uniform Arbitration Act.
